Edna Mott says Vernon Marshall Grayson lived in antioch where she now lives. They moved to Kaper 1916. Vernon was father of alma whipp & other Children

In 1902 Edna's parents moved into Hazel Rhodes house & then in 1916 moved down where she now lives. an old blacksmith shop used to stand between Hazel & Edna's house.

Vernon Grayson's father, Ben Grayson lived in house that Herb Coffee now lives in. Grayson buried in Cemetary on hill above Herb's house. I believe she said Ben was married twice.

~~Hazel~~

Will & bachelor bros. Jasey Chamberlin lived at Chas. & Lina Jenkins Place. old house had been torn down after the Bob Dalls got there.
